### alterations

Take the garment to a local alterations or tailor shop of your choosing and we will reimburse up to \$75 of alteration fees.

#### Unsure if the garment is alterable?

Send a photo to [support@ephapparel.com](mailto:support@ephapparel.com) and we will use our experience with thousands of customers to advise you. If the garment is deemed unalterable, we will remake it free of charge and rush it back with expedited shipping.

### steps

- 1 Visit a Tailor. Any tailor will do.
- 2 Ask the tailor to fill in the measurement changes on right, adding or removing inches to the problem areas using a +/- (eg. If your sleeve is **1.25"** too short, the tailor fills in the sheet as **+1.25"** in the sleeve length field).
- 3 Submit your Flawless Fit Guarantee and a copy of the receipt to [support@ephapparel.com](mailto:support@ephapparel.com) within four weeks for reimbursement!

That's it! Your measurement profile will be updated so that all future orders come back just the way you like.
