Quality Custom Suits

PRICED WITHIN YOUR REACH

We've outfitted thousands of wedding parties in affordable, perfectly fitted suits. Here's why couples everywhere are choosing to go custom with Eph Apparel:

Affordable - Why waste \$300 on a rental when a custom suit from Eph can be worn again and again for as low as \$429?

Versatile - Design a suit that fits your theme & style - from traditional tuxedos to trendy blues, greens, and burgundies. Even lightweight linen pants for your destination wedding.

Custom Fit - We make sure your suit fits the way you want - 18 measurements, complimentary alterations, backed by world class service.

Personal - Custom means you choose everything from the lapel to the cuff. Your custom suit lets you show some personality with custom liners or monogramming.

Convenient - Book a private fitting for your wedding party at one of our showrooms or pop-ups - or have one of our Style Reps conduct an in-home fitting in select markets.
